

## **Monroe County Community Credit Union Contribution Procedure**

In an ongoing demonstration of the credit union philosophy “people helping people,” Monroe County Community Credit Union supports charitable organizations in the community where our members work, live, and worship. Monroe County Community Credit Union receives many solicitations for donations, volunteer support and community sponsorships. The following provides a guideline for how requests are handled. These guidelines help assure that Monroe County Community Credit Union’s charitable, financial resources are used in a way that best serves the majority of our membership. These guidelines will not cover every possible request, special need or opportunity; therefore, Monroe County Community Credit Union may make exceptions in granting contributions or community sponsorships on an individual basis.

### **Contributions/Donations**

Monroe County Community Credit Union makes contributions to non-profit organizations that serve the communities in which the majority of our members and potential members work or live. In general, support is given to organizations which provide for the health, education, and welfare needs of our current and potential members.

### **Community Sponsorships**

Monroe County Community Credit Union considers for sponsorship only those civic, recreational or charity events, programs and directories located within our member service area. By providing support, Monroe County Community Credit Union will in turn request published advertising or public name recognition from the organization or group asking for sponsorship.

### **Contribution Guidelines**

- All requests for sponsorship must be made in writing to the Marketing Department
- Contributions must be made to non-profit organizations. Again, support is generally given to organizations which provide for the health, education and welfare needs of our current and potential members
- Consideration for sponsorship will be based on funds availability
- Requests from MCCCCU members will be given priority over requests by nonmembers
- MCCCCU may make donations of money, property or services

Monroe County Community Credit Union will assess each sponsorship request on an individual basis using the aforementioned guidelines as the standard to which all inquiries are evaluated.
